Section III: Action Plan Goals

List the top two health & wellness goals your school focused on this year.

Goals	Implementation Activities	Successes	Challenges	Resources Used
<p><i>Example: Ensure all food & beverages offered outside of school meals program meet USDA Smart Snacks in school nutrition standards</i></p>	<p><i>School wellness committee created an approved list of snacks and beverages. The principal shared the policy and approved list of items with school staff, parents, and community stakeholders to reinforce the policy</i></p>	<p><i>After 6-months of reinforcing the school policy and continuously sharing the approved list of items the goal was achieved.</i></p>	<p><i>Explaining to parents why only items on the approved list were permitted in the school.</i></p>	<ul style="list-style-type: none"> • <i>Local school wellness policy</i> • <i>HG Smart snack calculator to identify approved snacks and beverages</i> • <i>Newsletter and social media to spread the message</i>
<p>1. Ensure all foods and beverages served daily for breakfast and lunch meet or exceed the USDA regulations for the National School Lunch and School Breakfast programs</p>	<p>The Child Nutrition office planed the current school year breakfast and lunch menus before the school year started. As the school year progressed the Operation Specialist adjusted the menu on a monthly basis as necessary.</p>	<p>Each week of the breakfast and lunch menus were in compliance with the USDA regulations for National School Lunch and School Breakfast programs.</p>	<p>-Occasional food shortages and substitutions on weekly orders.</p>	<p>-Health-e Meal Planner Pro</p>

<p>2. Encourage students to increase their daily fruit and vegetable intake.</p>	<p>Between breakfast and lunch students are offered both hot & cold vegetables, 100% fruit juice, cut fruit and whole fresh fruit are served to students daily. The cafeteria has signage to encourage students to take fruits and vegetables. Nutrition lessons promoted fruit and vegetable consumption</p>	<p>With student exposure and verbal encouragement all students that purchase breakfast or lunch take at least one fruit or vegetable. Increased fruit and vegetable intake due to share bin in cafeteria</p>	<p>-Cooked vegetables offered at school have a different (low sodium) taste than those offered to students outside of school. -Students are at an age where they are often losing/missing teeth, so some fruits and vegetables are more difficult for them to eat.</p>	<p>-MyPlate -One Terrific Tray -Breakfast and Lunch Menu Fruit and vegetable bracelets</p>
